

# IESE IN INTERNATIONAL RANKINGS

Since its foundation in 1958, IESE Business School has been dedicated to the development of business leaders worldwide. The school's outstanding faculty members hold Ph.D.s from the world's most prestigious universities. Experts from 28 countries, they are internationally acclaimed for their research on current business issues and experience in international markets.

Today, more than 50 years after its establishment, IESE boasts world-renowned executive education programs designed for professionals at various stages of their careers. The high caliber of IESE's senior management programs is recognized year after year in prominent international rankings.

# 1 in the World  
*Financial Times* Executive Education Survey, 2011

# 1 in Europe and # 2 in the World
