Once admitted to the program, participants pay a non-refundable commitment fee of €1,000, which secures their place in the program for a maximum of 3 years. This amount will be deducted from the MBA tuition fee.

The Next Steps Seminar is a 1-week program in July specially designed for YTP admitted students. The program allows students to experience life at IESE before starting the MBA and network with future classmates.

In order to confirm their place, YTP admitted students must send their updated resumes prior to the start of the MBA program.
“The YTP gave me the great opportunity to fast-track my career, to get to know the business school at a very early stage and really get into it.”
