Global uncertainty

IESE Business School Insight 151

December 1, 2018

The big idea of the 20th century is under fire in the 21st. How to respond with foresight, intelligence and, above all, empathy. Featuring:

- 4 keys to improve Europe's security and defense.
- Economic performance and peace are mutually reinforcing.
- Are we perceiving more polarization than there actually is?

Plus: Interviews with Harvard Business School Dean Nitin Nohria and IBM's Marta Martínez.

Research-based articles with managerial applications:

- How prepared is your business to make the most of AI?
- The brains behind your choices.
- Rethinking the funnel for the omnichannel age.
- The 5+1 behaviors of innovation.

And chef Joan Roca reveals his recipes for success.
