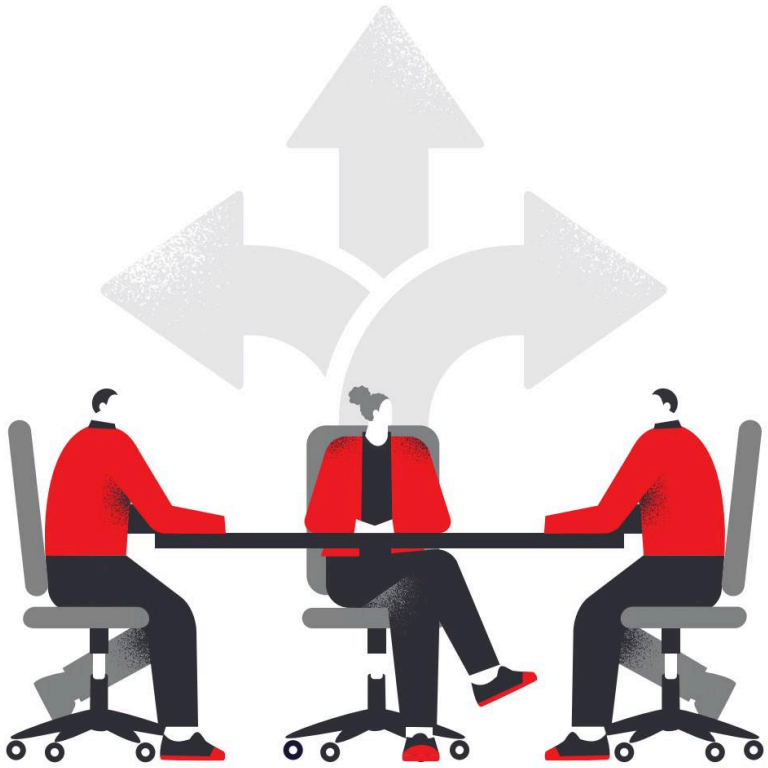
SustainAbilities: understand, align, innovate and commit to building a more sustainable world

IESE Business School Insight 160



January 1, 2022

The time for talk has ended, the time for urgent action is now -- and business must take the lead. Featuring interviews with John Elkington, a world authority on sustainable development, and Enric Asuncion, cofounder and CEO of the electric vehicle charging startup Wallbox. Plus: Know this before negotiating your salary. Exclusive interviews with Suntory CEO Tak Niinami, award-winning economist Amartya Sen, and social entrepreneur Gopala Krishnan. Mindsets of
