

Sainsbury Management Fellowships

**£50,000 for engineers to
undertake full-time MBA courses**

The Sainsbury Management Fellowship scheme, funded by the Gatsby Charitable Foundation, supports engineers of high career potential to undertake full-time MBA courses at one of fourteen approved international business schools.

The core aim of this prestigious scheme is to improve the economic performance of UK businesses, by providing a resource of highly motivated engineers with business skills.

Applications for the scheme can be submitted at any time, and interviews will be held in early November 2023

Applicants must have the right to work and live in the UK.

We are committed to diversity and inclusion and encourage applications from women and other groups who are currently underrepresented in engineering.

For more information, contact
