

Global Executive MBA Scholarships

IESE Business School's objective is to help develop outstanding business leaders across the world. IESE offers a range of scholarships for the Global Executive MBA program to managers, executives and entrepreneurs who have demonstrated the potential to make a positive impact on the global business community.

IESE is particularly interested in contributing to the development of:

- Business leaders in growth markets with the skills and expertise to grow their companies
- Women who lead and inspire
- Senior executives of global organizations who seek to fulfill their real potential in leadership positions
- Public sector leaders who contribute to shaping society

Scholarship applicants all complete the same application process and may then be awarded one of the following two scholarships:

Global Leader

14 scholarships, covering EUR 30,000 are awarded globally. Applicants should be leaders working or intending to work in a global context, be it public or private, corporate or entrepreneurial. They must have significant experience in management roles and currently hold a leadership position in the private or public sector.

Americas Track	7 Scholarships
Europe Track	7 Scholarships

Women in Business

8 scholarships, covering EUR 30,000 are awarded globally. Open to women candidates with a significant experience in management roles and currently holding a leadership position in either the private or public sector.

Americas Track	4 Scholarships
Europe Track	4 Scholarships

Guidelines

Key Rules

- Candidates who are fully or partially sponsored by their companies will not be eligible for scholarships
- Scholarship applications can only be submitted for a specific track. This means that, once awarded, a scholarship can only be used for the chosen track
- Although admission to the program is deferrable, scholarships are not
- All scholarship applicants will be considered for the Global Leader scholarship
- Women candidates who are not awarded a Global Leader scholarship will automatically be considered for the Women in Business scholarship
- Candidates who are not awarded a scholarship in the round of application will be retained and automatically be considered in the subsequent round(s), until a final decision is reached
