

How to get to IESE

Camino del Cerro del Águila, 3 • 28023 Madrid (Spain)
(+34) 91 211 30 00 • www.iese.edu/madrid-campus

Direction Madrid/A-6/M-30, on the **M-503**. You'll take the **Carretera de Castilla/M-500**, in the direction of **A-6/A Coruna**. Stay in the left lane in order to remain on the **M-503**. Continue toward the **M-500** and use the right lane to take the **Aravaca exit** ramp.

On the **M-500, Carretera de Castilla**, you will pass the entrance to the Club de Campo and then see an overpass. Immediately after going under the overpass, take the first exit on the right, marked **Salida 1, IESE Aravaca**.

You'll see the IESE sign right away. You should slow down quite a bit because the 90 degree turn is quite sudden. Take the **Camino Cerro del Águila**, at the end of which you'll find the **entrance to IESE**.

Madrid Campus

When you reach the end of the Camino del Cerro del Águila, you will see the access to the **Executive Building** parking lot on the right.

This is the building where the **Executive Auditorium** is located.

On entering campus, you'll find the **Master Building** to the left, where dining services are offered. After you've gone through security, the road on the right leads to the parking lot for this building.
